Vineyard: The year got off to a very rocky start, with inconsistent flowering. A mild winter gave way to spring frosts and pouring rains in the summer, followed by a cold front in August.

Appearance: A golden pink colour with glints of copper and rose petals, reminiscent of the colours of 19th-century Orientalist painters. Effervescence is regular and beaded.

Bouquet: Light and distinguished, the nose begins with spring notes of chlorophyll, tangerine and Oriental spices before aromas of crisp Napoleon cherry and wild strawberries emerge, giving way to a final slightly smoked bouquet.

Palate: Intense wine is full of red-fruit flavours and beautiful acidity.

Cellaring: Drink until 2022

Food Match: SEAFOOD
