

Hancocks Holiday Trading

Schedule 2016/2017

Transit UPDATE:

The route disruptions in the South Island are having a knock-on impact around the country. With freight movement on the roads increasing in the lead up to the holidays our usual overnight intra-island and 2 day inter-island delivery service will inevitably be affected.

Our objective is to maintain normal transit timeframes however delays are expected and we encourage you to place orders earlier than you normally would to avoid out of stock issues during critical weekend trading.

We appreciate your patience and understanding.
