Vineyard:	This Single Vineyard Riesling is sourced from The Mound Vineyard in the Waipara Valley. The vineyard was established in 2002 on terraced gravels that offer little fertility which, along with Waiparas long cool growing season, provide perfect conditions for making world class Riesling.		
Vinification:	The grapes were picked at optimal ripeness and were hand harvested and whole bunch pressed. Only the free run juice was cold settled and racked a few days later. The coolfermentation was started with cultured yeast to add just the right amount of freshness and complexity. After fermentation the wines were again cold settled and racked shortly after. The wine was prepared using natural fining methods.		
Appearance:	Pale Straw		
Bouquet:	Notes of citrus pith, elderflower and stonefruit, with a hint of spice.		
Palate:	The front palate shows bright citrus notes which give way to full flavours of nectarine and honeysuckle. A touch of minerality on the finish ties together the lime juice acidity and slight sweetness.
