Vinification:	Parcels were harvested and brought directly into the winery for immediate pressing, whilst 10% were left to soak on skins for 12 hours. The juice was left to settle until clean, then racked, warmed and inoculated with yeasts. Fermentation stopped when sweetness levels balanced nicely. The wine was cooled for a month, then racked to mature. Finally the wine was blended and fined using traditional methods.

Bouquet:	Bursting with aromas of red apple, lime and juice mandarin.
Palate:	Flavours of red apple and lime flow from the first sip. A bold and rich style of Riesling which delivers a crisp and lingering finish.
