

grower's mark

Every great wine is made in the vineyard and at Grower's Mark we champion our grape growers.

Marked with a rose, Grower's Mark wines are reserve grade and pay homage to the growers that we work with.

WINEMAKER Kim Crawford

WINEMAKING

When deemed ripe by winemaker, Kim Crawford, the grapes were machine harvested at night. 100% from the Dijon 115 and 777 clones. The grapes had a 'cold soak' for colour extraction for five days, then warmed and fermented to dryness. Once dry, the wine was pressed off and underwent malolactic fermentation. Once through malolactic fermentation, the wine was stabilised and bottled.
