**Vinification:** The Sauvignon Blanc grapes are machine harvested and immediately pressed in the cool of the night. The juice is maintained at cool temperatures to ensure the aromatics are not lost. Cleared juice is then fermented to dryness at cool temperatures with specifically selected yeasts. Sauvignon hops are then added using a secret dry hopping method following a steeped fermentation. Finally, the wine is sealed in the latest innovation of can.

**Bouquet:** Aromas of pomegranate juice and wild Marlborough Sounds banana passionfruit are met with a skunky hoppy nose similar to a quality west coast IPA.

**Palate:** Juicy citrus, herbaceous characters dance on the tongue and a touch of unique hoppy bitterness balances the wine perfectly a bit of a kick in the mouth!
