

grower's mark

Every great wine is made in the vineyard and at Grower's Mark we champion our grape growers.

Marked with a rose, Grower's Mark wines are reserve grade and pay homage to the growers that we work with.

WINEMAKER Kim Crawford

WINEMAKING

When the grapes reached the prescribed flavour profile they were machine harvested without additions in the field to allow the tannins to oxidise. On arrival the grapes were pressed off immediately and settled. Once clear the juice was inoculated with a pure yeast strain and cool fermented to dryness. When dry the wine underwent a full malolactic fermentation to add complexity and mouth feel. The wine was stabilised and filtered.
