Style:	RED WINE
Variety:	CABERNET SAUVIGNON
Region:	HAWKES BAY
Vintage:	2018

Vineyard:	Ohiti Estate lies in an inland heat trap on the bed of the old Ngaruroro River. Trained on classical VSP trellis system, on gravel soils, Cabernet Sauvignon obtains excellent levels of ripeness, with good colour intensity, clean fruit, and ripe tannin development.
Vinification:	Grapes were harvested on the 7th of April, (thus reflecting the summer heat) and fermented using traditional Bordeaux pump over methods for cap management. Time on skins was three weeks. Malolactic occurred after pressing, prior to going to oak.
Appearance:	Extractive dark red
Bouquet:	Cassis, black fruits, new French oak, toast and leather contribute to this elegant rich 2018 Ohiti Estate Cabernet Sauvignon.
Palate:	Cabernet Sauvignon more than any other red variety mirrors where it is grown and the growing season. The 2018 season was good for Brookfields hence this is an exciting wine.
