Vineyard:	Made from fruit harvested from the JacksonEstate Homestead vineyard, this wine is an expression of a single clone and single site. Intensive hands-on viticulture including short and fruit thinning, hand-picking, and sorting are incorporated to optimize fruit and wine quality.
Vinification:	Harvested as whole clusters the fruit was gently epressed with the resulting juice allowed to settle cold in tank for several days. The clear juice was racked then inoculated with two selected aromatic yeasts. Fermentation was carried out in a small stainless-steel tank at cooler temperatures to maintain maximum aromatics and enhance the pure fruit character thisvineyard is known for. Post-fermentation the wine was filtered and prepared for bottling in October of the same year.
Bouquet:	Refreshing aromas of ripe apricot and perfumed elderflower combine with a subtle undercurrent of fresh bush honey gives this wine an enticing nose.
Palate:	The apricot notes follow through and are accompanied by crisp apple on the palate, with a lingering hint of warm summer florals. A clean mineral acidity gives the wine beautiful poise and an elegant lingering finish.
