Vineyard:	The grapes for this wine were sourced entirely from our family-owned vineyard in Lower Dashwood, where the elevated and windy location challenges the vines. The soil here is predominately composed of a layer of top soil over a tight clay that the vines cant penetrate.		
Vinification:	Once at the winery, the grapes were crushed, destemmed and pressed immediately. The juice was then floated, warmed and inoculated with an aromatic yeast. A cool fermentation followed and when the wine was deemed in balance (in residual sugar, alcohol and acidity) the ferment was stopped. The wine was then stabilised, filtered and bottled in late October 2018.
