

grower's mark

Every great wine is made in the vineyard and at Grower's Mark we champion our grape growers.

Marked with a rose, Grower's Mark wines are reserve grade and pay homage to the growers that we work with.

WINEMAKER Kim Crawford

WINEMAKING

When deemed ripe the grapes were machine harvested at night. Due to the grapes thin skin, the juice was protected from oxidation. Once at the winery the grapes were crushed and gently pressed. The juice was floated and immediately inoculated and fermented till it stopped.

Lifted sweet passionfruit underscored with typical herbaceous characters associated with good Sauvignon Blanc.
