Vineyard:	Our Saving Grace Riesling vines are planted on the terrances known as 'G Block', aside the Waipara River. Persistent air flow wards off disease pressure and allows the fruit to 'hang out' to achieve phenolic ripeness.		
Vinification:	The fruit was left to hang until the last moment in pursuit of optimum ripeness. Two seperate hand harvested parcels were gently pressed to stainless steel where it underwent fermentation until dryness. It was then aged on light lees for 6 months. Precision and poise - good words for Riesling.		
Appearance:	Pale Yellow		
Bouquet:	Juicy lime, white florals and honerysuckle aromas delight.		
Palate:	The palate features apple, and delicate beeswax notes. Underlying minerality provides tension and draws out to a long, dry finish.
