<b>Vinification:</b>	Immediately after harvesting, the grapes are gently pressed. Extracted juice is chilled to retain its vibrant aromatic profile. Following clarification, select, premium yeasts are introduced. Slow fermentation is conducted at controlled cellar temperatures. The wine then ages for seven months in oak barrels sourced from the esteemed Tonnellerie Franois Frres, a choice that imbues our Sauvignon Blanc with its distinctive character. We then select the one premier barrel of the highest calibre.		
<b>Palate:</b>	With its vibrant citrus notes, tropical undertones, and a perfect balance of acidity the Eli Sauvignon Blanc exemplifies the varietals quintessential qualities and is a captivating choice for wine enthusiasts seeking an exceptional Sauvignon Blanc experience. Vegan friendly.
