Vineyard:	Selected parcels from Hawkes Bay vineyards, including Gimblett Estate, Gimblett Stones & Tin Shed Gimblett Gravels.		
Vinification:	Each individual vineyard parcel was harvested separately with the majority of batches de-stemmed prior to fermentation. Gentle daily pumping over of the skins during fermentation helped extract a soft, complex structure. Extended maceration on skins following fermentation helped to further integrate and soften the tannins. Following extended aging in stainless steel tanks, and a short time in seasoned French oak, the individual blocks were blended to create the ideal marriage of components.		
Bouquet:	Intense blackberry, wild raspberries on the nose.		
Palate:	Berries combine with red liquorice, and hints of savoury spice combine to produce a fruit dominant complex wine with a subtle touch of oak spice on the finish. The wine is deliberately released young to emphasize the beautiful perfume and fruit freshness.
