Vinification:	Harvested from individual blocks and clones in 3 distinct vineyards, de-stemmed and fermented separately. All parcels were pumped over once daily to aid optimum colour and tannin extraction. A range of maceration periods were utilised to increase textural complexity. A small percentage of Viognier skins was included in one batch to enhance aromatics, colour and texture. Parcels were matured in 5,400-litre French oak for 12 to 16 months. Parcels were blended Dec 2021, bottled Feb 2022. No fining.		
Bouquet:	Captivating floral and perfumed aromas of ripe raspberries and blackberries, along with hints of Chinese five spice, black liquorice, and vanilla bean.		
Palate:	Concentrated yet vibrant palate where refined tannins and refreshing acidity combine to create a supple, silky texture and a spicy, succulent finish of outstanding length. A quintessential expression of Gimblett Gravels Syrah that will develop complex mineral, gamey characters with bottle age. A great accompaniment with red meat dishes, especially duck and venison.
