Gimblett Gravels Tempranillo (last stocks) 2021

Category:	WINE		
Style:	RED WINE		
Variety:	TEMPRANILLO		
Region:	HAWKES BAY		
Vintage:	2021		
Volume:	750ml		
Vineyard:	Region: Gimblett Gravels, Hawkes Bay. Vineyards: 57% Gimblett Stones/43% Gimblett Estate.		
Vinification:	Hand-harvested. De-stemmed but not crushed and transferred to a stainless steel closed-top fermenter. Pumped over once per day during fermentation. Followed by an extended period on skins post-fermentation to soften the tannins and enhance texture and complexity. Once drained off skins, the wine was allowed to settle before being transferred to a combination of seasoned 225-litre French and American oak barriques for maturation. After 12 months in barrel, blended in July and bottled Aug 2022.		
Bouquet:	Attractive raspberry/blackberry aromas, along with liquorice, sweet spices, and dark chocolate.		
Palate:	The richness, generosity, and structure one expects from the variety. A palate crammed with red/black fruit flavours. Tannins, with the consistency of cocoa powder, and vibrant acidity, contribute a mouthcoating texture and juiciness to the palate, which finishes long, succulent, and refreshing.
