<b>Vinification:</b>	Hand harvested fruit in our Tin Shed vineyard was gently pressed and the juice fermented with 50% indigenous yeasts in a combination of new 228- and 500-litre French oak barrels. Malolactic fermentation was encouraged to soften the acidity and impart further richness. The wine spent 12 months in barrel then a further 6 months in tank on yeast lees building further texture and complexity before being racked and bottled in July 2023 with no fining and minimal filtration.		
<b>Bouquet:</b>	Scents of white peach, ripe grapefruit, and citrus blossom combine with toasty/nutty oak aromas to produce a complex and engaging bouquet.		
<b>Palate:</b>	The wine is rich and complex yet remains focused and composed with outstanding persistence and length of flavour. Stone fruit, citrus, and toasty oak flavours, gentle phenolics. A fine backbone of acidity combines effortlessly to produce a seamless, harmonious palate with a mouthwatering finish. A fabulous wine of exquisite balance, poise, and tension.
