Vineyard:	These wines are a tribute to family tradition and a commitment to quality. They are single-vineyard sourced and made from the best grapes grown on the Scott families own estate. These elegant wines are the result of low-yield vines, meticulous viticulture and special attention in the cellar. Due to the exacting standards, these wines are only produced in limited quantities.		
Vinification:	Handpicked & gently de-stemmed. Cold soaked, then warmed gently, it goes through a wild fermentation. Hand plunged two to four times per day to keep the skins in contact with the fermenting juice. The wine is then cooled by itself, where it is left to macerate on skins for another 7 days. This helps to soften the wine ensuring optimum flavour and integrated tannin extraction. Drained & left to settle, then racked to 100% new French oak puncheons. Left to age for 12 months.		
Bouquet:	Expect black cherries, black doris plums and a smokey maple savoury character on the nose.		
Palate:	The ripe and sumptuous concentrated fruit is supported by subtle notes of oak. The wine finishes very smoothly with refined ripe, light tannins providing structure and a smooth silky long flavourful finish.
