

MARLBOROUGH ROSÉ 2024

Following in the footsteps of our European counterparts, New Zealand has seen a resurgence in the popularity of the Rosé style of wine.

Some would say it is due to the simplicity of the wine style, and the sense of fun associated.

VITICULTURE

Harvest 2024 was a season characterized by collectiveness, collaboration, tranquility, and winemaking finesse. It began strongly with excellent flowering, leading to the potential for an abundant crop come harvest time.

A classic Marlborough summer saw consistent days with no excessive heat and a slightly lower sunshine total than average. Light yet persistent rain events during berry maturation meant that focused vineyard management was essential to preserve healthy fruit for the harvest. This challenge was well met across the vineyards, resulting in beautifully clean fruit ready for a promising harvest.

VINIFICATION

The fruit was picked early-March and a percentage was macerated on skins for 4 hours before pressing off. Another proportion was drained off tanks to help with concentration. The wine was fermented very cool (10^o-13^oC) to preserve the fruit characters and the bright lively colour. After only a short time on lees (2 weeks) it was racked and sulphured, before being filtered and prepared for bottling.

DESCRIPTION

Elegant salmon pink Rosé immediately presents notes of luscious strawberries and cream. The palate is beautifully balanced with soft, ripe berry fruit flavours and a lift of acidity on the finish, truly a touch of summer in a glass.

SERVING SUGGESTIONS

Best served chilled, this is a perfect 'snacking wine' – i.e.: quaff on the terrace with a platter of delicious savoury treats from your local deli.

TECHNICAL SPECIFICATIONS

(at bottling)

Alcohol	12.35%
Residual Sugar	5.35g/l
pH	3.42
TA	5.8g/l
Oak Treatment	None
Malolactic	
Fermentation	None
Vegetarian	
/Vegan	Vegan Friendly
1st Year of	
Production	1998
Barcode	9416917221062
