Vineyard: 63% Stellenbosch (South Africa) and 37% Marlborough Sauvignon Blanc. Careful planning and meticulous attention in Stellenbosch and Marlborough vineyards kept the grapes growing to their full potential. Overall, great sunshine hours, low disease pressure, light crops, and ripe fruit, all come together to produce some outstanding fruit and in turn some great wines.

Vinification: The grapes are machine harvested and immediately pressed in the cool of the night. The juice is maintained at cool temperatures to ensure the aromatics are not lost. Cleared juice is then fermented to dryness at cool temperatures with specifically selected yeasts. Both wineries then selected the pick of the tank for blending. Stellenbosch wine was shipped to New Zealand in a flexitank container, trialled and blended with Marlborough wine into a wonderful fresh expression for bottling.

Appearance: Light straw

Bouquet: Floral aromas, combining sea air and gooseberry notes.

Palate: A touch of sea salt, delicious kiwifruit and green apple are married together on a platform of mouthwatering acidity.
