<b>Vineyard:</b>	Handpicked Marlborough Chardonnay grapes from the Wairau Valley. The 2019 growing season was warmer and less windy than usual. Careful planning and meticulous attention in the vineyard kept our grapes growing to their full potential. We've been pleased with the quality of good, evenly ripened fruit with solid Brix numbers across the varieties.	
<b>Vinification:</b>	The fruit was pressed immediately into a stainless steel tank for a quick settling period (6 hours) before hard racking. The wine is then inoculated and the fermenting juice was transferred to 500L French oak puncheons. After 14 months the wine was pumped out of the barrel and into a tank to let particles settle at the bottom after some time. Wine skips the filtration step, but this doesn't mean that it stays cloudy. We let gravity do the work and rack it into a fresh barrel.
