Vinification: Harvest 2020 was unpredictable. Right at the start, we had the CV-19 lockdown introduced, so we had to adapt to the newest ways. Once all systems in place, we went out all harvesters shaking and picked all our fruit. In hindsight, after seeing what fruit came in, it has been a super harvest. Waipara had great sunshine hours, no severe frost, low disease pressure, light crops, and ripe fruit, all come together to produce some outstanding fruit and in turn some great wines.

Bouquet: With aromas of red apple, ripe pear and hints of stone fruit.

Palate: This Pinot Gris had a short spell of skin contact to enhance colour and flavour. Soft entry with good length and nice juicy acidity. Highly drinkable now and will accompany a broad range of cuisine. Vegan friendly.
