Vinification:	Fruit classification was based on those vineyards showing flavour expression. Healthy balanced vineyards profiling fresh stone fruits and a natural acidity were chosen for this wine style. This wine was fermented cool over a two week period. Selected parcels were fermented with the inclusion of French oak staves. Once fermentation was complete exceptional wines were matured on fine yeast lees over four months to build palate weight.		
Appearance:	Very pale straw with a green tinge.		
Bouquet:	Tight, fresh pear with stone fruit, and balanced with a subtle hint of oak.		
Palate:	This wine displays early picked peach and melon notes carried on a weighty palate, culminating in a fresh and crisp finish.
