Vineyard:	Early spring rains and a cool end to summer allowed the grapes to hang on the vine longer, resulting in powerful and elegant Shiraz fruit. The regions famed elevation and distinctive terroir, created the perfect conditions in which to ripen each parcel to its optimum flavour, profile and acid/tannin balance.		
Vinification:	Low yielding parcels of Shiraz were selected from each vineyard based on concentration of flavours. Each parcel was then vinified separately using traditional winemaking techniques, before being aged for fourteen months in a careful selection of new and seasoned French oak hogsheads.		
Appearance:	Deep inky purple in colour.		
Bouquet:	Aromas showing subtle notes of Vanilla, blackberries, pepper and eucalyptus against an alluring background of licorice and soft oak. Gorgeous and aromatic.		
Palate:	Flavours of plum and blackberry give that way to a softly spicy and heady mix of dark chocolate, pepper, mint and licorice.
