

KAESLER

Cabernet Sauvignon - 2021

At Kaesler we feel that Barossa Cabernet Sauvignon is the lost child of the region. With careful handling Barossa Cabernets can be amazing and the Kaesler Cabernet Sauvignon is no exception.

VINTAGE CONDITIONS

The 2021 vintage was in a word 'Brilliant'. Barossa saw cool and dry conditions which has produced excellent quality reds and whites. Great growing conditions combined with good yields created amemorable harvest, with all wines showing a wide array of aromas and flavours. Soft supple tannins are in abundance in the reds which has ensured easy drinking in their youth, with careful cellaring also reaping rewards. The highlight for 2021 was the overall quality, a genuine 10/10 season.

REGENERATIVE FARMING

At Kaesler we strive to not only maintain but rebuild the soils, because at the end of the day we want to leave these precious old vines in better condition than we found them. It's a process called 'regenerative farming' as it's more than sustainability, it is a practice that constantly evolves so we are not just sustaining the environment we are improving it.

WINEMAKING

Carefully hand harvested at ultimate fruit sweetness from estate vineyards, the fruit is fermented separately on skins for 9 days with temperatures ranging from 19-28 deg celcius. The wine is then pressed to stainless steel tanks and allowed to go dry. Malolactic fermentation is completed in new and 1 year old French oak barriques for 20 months and topped monthly.

APPEARANCE

Deep crimson, bright purple hue.

BOQUET

Plum, dark spice, blackberry, hints of mocha oakwith hints of spicy sandalwood oak.

PALATE

Rich and Intense blackcurrant and dark chocolate with silky to slightly chalky tannins on the palate. Leafy characters provide freshness to the rich fruit, which follows through to hints of the mocha from the oak.

FOOD PAIRING

Lamb and other red meats or hearty mushroom dishes.
