| Vineyard: | At Gemtree we farm our estate vineyards organically and biodynamically. This philosophy rewards us with fruit full of flavour and purity; these are the gems from which we craft our fine wines. | | |
| Vinification: | These handmade, small batch wines are an expression of the joy and curiosity of winemaking, free from convention, free from restraints. Experimental batches made from small parcels of organic and biodynamic fruit. We only made 4648 bottles of 2021 Grenache SBE (concrete egg maturation) with fruit sourced from organically and biodynamically grown Grenache vines planted in 1946. | | |
| Appearance: | This rare Grenache has a lovely hint of citrus peel. Deep, rich and textural, 2021 | | |
| Bouquet: | Grenache SBE presents the complete package. | | |
| Palate: | Where Grenache SBO (oak barrel maturation) is upfront and bold, Grenache SBE shows restraint yet depth, with a textural weight that defines its identity. | | |
