

## GRANT BURGE

HONOURING THE 1865 PIONEER

The story of Grant Burge is one of the past, the present, and the future. Planting their roots in the Barossa Valley in 1865, the Burges began as a family of devoted vigneron. For five generations, they spent their days toiling on the land, understanding the soil, and from it, growing grapes that would become premium wines of today.
