## DB FAMILY SELECTION ROSÉ 2023

100% Shiraz

### Season

Excellent rains during winter and early spring allowed for good fruitfulness and healthy vines, with a cooler than usual ripening period allowed the fruit to retain good varietal characteristics.

### Tasting Note

Pale salmon pink in colour with suggestions of rose petal, wild strawberry and crisp red apples. A succulent palate with a smattering of sweetness and underlying acidity, providing symmetry to the mouthfeel and life of this wine.

### Wine Style

Enjoy a glass while relaxing by the pool or in the garden with a selection of afternoon appetizers. It is also an ideal accompaniment to a Salad Nicoise or Vegetable Terrine.

### General Characteristics

Dry / Light bodied

### Additional Information

Vegan, Vegetarian

### Winemaking

The Shiraz was harvested in the cool of the early morning, following a short period of skin contact before pressing to achieve the delicate pale colour. The juice is then fermented in tank over 2-3 weeks at 15-16°C to retain the fresh fruitfulness of this wine.
