Vineyard:	Our winemaker, Beth Liston, selected the grapes for our Cabernet Sauvignon from premier vineyards throughout California. In 2018, colder winter temperatures delayed budbreak about two weeks. In the spring, mild weather prolonged bloom time. For the first time in five years, harvest started in August instead of July. The red berries were harvested into November, marking an extended hang time that produced concentrated flavor and saturated color.
Vinification:	The grapes for our 2018 Dark Horse Cabernet Sauvignon were harvested at optimum ripeness. Warmer fermentations (88°F - 92°F) created intense flavor and velvety tannins. Post fermentation, the wines are oak aged to add layers of interest and balance to the wines.
Appearance:	Big and bold, our 2018 Cabernet Sauvignon shows a deep ruby hue in the glass.
Bouquet:	Aromas of freshly brewed coffee, dark berry jam, toasted oak and a hint of dried herbs greet the nose.
Palate:	The rich mouthfeel is enhanced with layers of dark chocolate and cinnamon.
