Vineyard:	For Double Down Red Blend, Beth and her team went all-in to make their most impressive wine yet. Sourced from the best grapes in California and combined with signature, innovative winemaking techniques, this Red Blend is dark and luxurious.
Vinification:	The grapes for Dark Red Blend were harvested at optimum ripeness which allows for easy and early extraction of the rich, concentrated color and produces velvety tannins. Fermentation temperatures were kept between 88F and 92F which creates more intense characteristics and fruitier aromatics. After fermentation, the wine was aged to add complexity and structure to this dark, luxurious and bold Red Blend.
Bouquet:	Dark Horse Double Down has aromas of blackberry jam and ripe blueberries woven together with threads of dark chocolate and molasses.
Palate:	It follows up with a plush, luxurious mouthfeel - both rich and soft at the same time. The intensely concentrated fruit stretches across the palate, highlighted by hints of cinnamon and vanilla for along finish that beckons another sip.
