

FAMILLE PIFFAUT

Suro Elderflower Liqueur (6x700ml)

- Category:** SPIRIT
- Style:** LIQUEURS
- Variety:** OTHER
- Region:** LANGUEDOC
- Volume:** 700ml
- Vineyard:** Wild elderflowers are hand-harvested just once a year, at the precise peak of their bloom, then naturally dried. They are gently macerated for several weeks in an alcoholic solution, before being blended with a lemongrass and blackcurrant bud distillate. The whole is carefully balanced with French beet sugar to reveal the finest possible expression of the flower. Nearly a thousand blossoms go into the making of every single bottle.
- Appearance:** A floral and airy opening, carried by the characteristic honeyed sweetness of wild elderflower. The palate is delicate and well balanced, with a gentle vegetal freshness and a long, silky finish. A liqueur of rare elegance both subtle and lingering.
- Palate:** SURO shines as a Spritz- Crmante de Bourgogne, as a splash of sparkling water for a floral and refreshing aperitif. It also expresses itself beautifully in signature cocktails, such as the SUROMargarita, where its floral delicacy elevates the boldness of tequila. Discover it also over ice, for a pure and contemplative tasting experience.
