Vineyard:	A blend of Grenache, Syrah and Mourvdre from the different major terroirs of Chteaneuf du Pape : crumbly, sandy soil from the eastern and southern slopes, limestone from the western side facing the Rhne river, red clay from the northern zone and galets (large, round quartzite stones) from the upper plateaux sector.		
Vinification:	The grapes were hand-picked and partially destemmed before fermentation. Each grape variety was fermented individually and fermentation/maceration lasted for approximately 4 weeks in cement vats. After about 12 months of maturing, the different varieties, which were aged partly in oak and partly in vat, were blended before bottling. Vegan Friendly.		
Palate:	This Chteaneuf du Pape opens with notes of ripe strawberry and spices complemented by dark fruit flavours and silky tannins.
