DUBOEUF Fleurie NFL 2019

Category:	WINE		
Style:	RED WINE		
Variety:	GAMAY NOIR		
Region:	BEAUJOLAIS		
Vintage:	2019		
Volume:	750ml		
Vineyard:	Fleurie has 13 different climats," each producing a very distinctive type of wine. In the sloping higher parts of the appellation, the soils are poor, acidic and dry. They produce fine, highly aromatic wines. Above the village, the soils are deeper and contain clay: the wines are more structured and may be kept for many years.		
Appearance:	The Fleurie has an intense crimson colour.		
Bouquet:	Reveals a range of fruity and floral aromas: iris, violets, roses, red berries and wild peaches.		
Palate:	The Fleurie is elegant and fine, and generally described as "feminine". We recommend to taste this wine at 13-14C.
