Vineyard:	The year got off to a very rocky start, with inconsistent flowering. A mild winter gave way to spring frosts and pouring rains in the summer, followed by a cold front in August.		
Appearance:	A golden pink colour with glints of copper and rose petals, reminiscent of the colours of 19th-century Orientalist painters. Effervescence is regular and beaded.		
Bouquet:	Light and distinguished, the nose begins with spring notes of chlorophyll, tangerine and Oriental spices before aromas of crisp Napoleon cherry and wild strawberries emerge, giving way to a final slightly smoked bouquet.		
Palate:	Intense wine is full of red-fruit flavours and beautiful acidity.		
Cellaring:	Drink until 2022		
Food Match:	SEAFOOD
