

Prosecco Extra Dry "P" Prosecco DOC

Grapes	Glera
Region	Eastern Veneto
Alcohol	11%
Harvest period	First half of September
Ageing potential	3 – 4 years

TASTING NOTES

Bright straw yellow in colour with fine, long-lasting effervescence are a fitting introduction to the wine's delicate, fragrant floral scents and nuances of white fleshed fruits such as pear and peach. Full and refined on the palate, with an exciting freshness which intensifies and gives duration to its rich aromatic bouquet.

TECHNICAL INFORMATION

The base wine for the prise de mousse comes from grapes grown in the Prosecco area. The use of selected yeasts, an unhurried 3-week refermentation in horizontal pressurized tanks at a controlled temperature (15-18°C), a month resting on the lees, and finally isobaric bottling, guarantee the lasting freshness of the wine's fragrances and flavours.
