TASTING NOTES

TECHNICAL INFORMATION

The blending of a fine Sparkling Rosé wine is a delicate art, and Santa Margherita is proud to share this masterpiece. Starting with a white wine made from the Glera grapes used to produce Prosecco, then adding Chardonnay and a small amount of Malbec to add colour and richness. This tantalizing blend undergoes a month-long second fermentation followed by six months of maturation in pressurized tanks. Only then is this dry, sparkling wine ready to serve and enjoy.
