Vineyard:	This wine is the most powerful expression of the characteristics of the vineyards of origin, located in several different areas on the Veronese side of Mount Calvarina, in the easternmost part of the Soave designation. A blend of the best 4 vintages of the last decade (2013, 2015, 2016, 2017) selected as the maximum expression of the vineyard throughout its history.		
Vinification:	For each year selected, the vinification of white grapes takes place with maceration on the skins for about 10 hours. Later, alcoholic fermentation is activated with selected yeasts at low temperatures. A partial malolactic fermentation follows with approximately 10% of the product in barriques. The process continues with aging in second-use wood for about 6 months. Then the wine is placed in steel tanks for further refinement.		
Bouquet:	Garganega gives the wine structure, freshness and fragrance with floral notes and intense minerality, a profound expression of the volcanic-origin soil composition.		
Palate:	When tasting, the different vintages are expressed in a long succession of hints and notes ranging from just-blooming flowers to chamomile, hazelnut, citrus, tropical fruit.
