

BUDWEISER IS AN AMERICAN LAGER BEER, FOUNDED IN 1876 IN THE CITY OF SAINT LOUIS.

MAIN CHARACTERISTICS

The brewing process of Budweiser is unique, with 246 steps and a special touch - beechwood aging to rest the yeast.

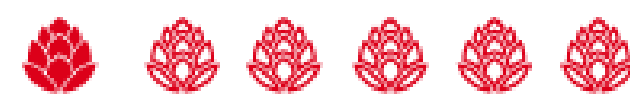

A clean, crisp American-style lager with subtle malt sweetness, delicate hop bitterness, & a smooth, refreshing finish. Light-bodied with soft carbonation & a touch of grain & honey on the palate. Perfectly balanced for easy drinking.
