

FLAVOURED SOJU FROM SOUTH KOREA

YIPSEJU

YIPSEJU GREEN APPLE SOJU

TASTING NOTE

Yipseju Apple-flavored soju merges modern soju with the sweet, aromatic essence of plump apples. With a light 12% concentration, it captures the delightful, ripe apple experience in every sip.

ABV 12%

Made with natural spring water sourced from 253 meters underground, Yipseju uses the highest possible water quality from South Korea.
