Style:	RED WINE

Region:	MENDOZA		
Vintage:	2018

Vineyard:	The district of Agrelo is located within the department of Lujn de Cuyo, 30 km from the city of Mendoza. A semi-arid and windy climate predominates, with cold winters and hot summers, and great thermal amplitude between day and night. Our vineyard is located at an altitude of 950 meters and has deep, loamy soils.		
Vinification:	The grapes were harvested by hand and transported in 300 kg bins to minimize possible damage to the berries and preserve the quality of the fruit that was later selected by hand in the winery. Alcoholic fermentation and subsequent maceration lasted for approximately 30 days. 60% of the wine was aged for six months in French barrels and the rest remained untouched with wood to bring out fruity flavors and aromas, and keep its tannins soft and silky.		
Appearance:	Deep ruby red colour.		
Bouquet:	On the nose it shows a varied fruity expression in which the notes of fresh red fruits and eucalyptus dominate.		
Palate:	In the mouth it is a very typical Cabernet Sauvignon and the contribution of the harmoniously integrated wood contributes with a hint of dark chocolate and vanilla.
