Vineyard: The vineyards that give rise to our Montes Limited Selection Cabernet SauvignonCarmenre are located in two very representative zones of the Colchagua ValleyApalta and Marchige. Apalta is very heterogeneous with sectors that are highly influenced by the Tinguiririca River and others by mudslides and the detachment of material from high in the mountains. The soils tend to be deep in the flat areas and thinner at the foot of the mountain and above.

Appearance: Deep and pronounced ruby red in color.

Bouquet: Tremendous aromatic intensity reflecting fresh red fruits, such as strawberries and plums with a touch of jam and sweet spice. Aging in French oak lends a well-balanced aromaticcontribution featuring vanilla and caramel over a toasted backdrop.

Palate: The palate is smooth, with well-rounded tannins and good structure accentuated by dairy and notes from the oak with elegance and breadth.
