

MONTES

Alpha Syrah 2017

- Category:** WINE
- Style:** RED WINE
- Variety:** SHIRAZ
- Region:** CURICO VALLEY
- Vintage:** 2017
- Volume:** 750ml
- Vineyard:** The vineyards that give rise to our Montes Alpha Syrah are located in two very representative zones in the Colchagua Valley: Apalta and Marchigüe. These two areas have soils of granitic origin in different degrees of decomposition and highly varying amounts of clay, depth, and organic matter. Apalta is very heterogeneous, with zones that are highly influenced by the Tinguiririca River and others influenced by floods and the detachment of material from high above in the mountains.
- Appearance:** Deep ruby-red in color with violet nuances and a very expressive
- Bouquet:** aromatic nose with outstanding aromas of ripe black fruits such as blackberries and figs. Aromas of crème de cassis meld with mild notes of leather and dark chocolate, which are very characteristic of Syrah from Colchagua
- Palate:** The palate is well balanced with rich acidity, incredibly smooth tannins, tremendous structure, and generous volume. This Syrah announces from the first sip that this is a wine to drink now or in several years. Its finish is long, complex, and very much in accordance with the nose.

Technical Analysis:

- Alcohol:** 14.50% **Packaging:** 12 x 750ml
- Hancocks Product:** 90641
