<b>Bouquet:</b>	This sake opens up with beautiful, soft and smooth aromas: apple, banana, and mochi, with fainter hints of fresh almonds. There is a gentle note of honey-like sweetness.		
<b>Palate:</b>	On the palate it is silky smooth, mellowed and elegantly rounded. Light and clean: Low umami and mellow acidity make this a very easy to drink, medium-light body sake. This Sake is dry, with a short, clean and refreshing finish.
