Appearance:	Cointreau is no stranger to the unexpected and its deep amber bottle conceals a visual surprise: a perfectly transparent liqueur. When mixed, the crystalline liqueur becomes opalescent, a physical testament to the high concentration of orange essence		
Bouquet:	Cointreau is an aromatic feat and owes this impact to a complex blend of orange peel essences. Zesty, fresh, floral, sweet With a spectrum of more than 40 olfactive notes, Cointreau is a captivating ode to orange on its own and an enhancer of other flavors when mixed.		
Palate:	Cointreaus flavor profile is a symphony of unexpected dualities: It has an instant freshness yet lingers on the palate, is a harmonious blend of nuanced notes yet remains intensely orange. In cocktails, Cointreau serves as a flavor amplifier, helping reveal the other ingredients while bringing balance, depth, and freshness to the mix.
