

Fentimans Botanical Tonic Water (1x500ml) 0

Category:	BEVERAGE
Style:	NON ALCOHOLIC
Variety:	NON ALCOHOLIC
Region:	NORTHUMBERLAND
Vintage:	0
Volume:	500ml
Appearance:	Cyrstal Clear with a fine bead carbonnation.
Bouquet:	Brewed with juniper, kaffir lime leaves, lemongrass, the aroma has an unmistakable assertive citrus zing to it, that counters the dry cinchona bark (quinine) thats also clear to smell.
Palate:	To taste, the dry, crisp nature of the tonic water continues on and the ingredients used to make it reveal themselves a little more (lemongrass in particular). As for pairings, its got a little too much zing for the softer floral gins in our opinion as the lemongrass nips a little too much to allow the nuance of delicate lavenders, shier gorse or calming chamomile. This is a tonic for the lower shelved gins in the supermarket, where the tonic needs to provide a little oomph to accompany it.

Technical Analysis:
