Vinification: This is an authentic representation of what tonic water used to be at the turn of the last century before overly sweet tonics became the norm. Unlike other 'diet' tonics, we only use all-natural ingredients with no artificial colours or preservatives, and it is gluten-free. With only 30 Calories per serve (7.5gm of natural cane sugar) our Old World Tonic is the perfect way to enjoy your GT without the guilt of calories.

Palate: The initial palate is warm with liquorice spice and fresh lavender with a hint of tea, finishing with a luxurious citrus mouth feel.
