Category:	SPIRIT		
Style:	BOURBON

Vinification:	Unlike a typical 100% malt whiskey, Woodford Reserve is a Kentucky Straight Malt Whiskey crafted from 51% malt and aged in new charred oak barrels, making it the malt whiskey for bourbon drinkers. The base of 51 % malt results in a whiskey that is richly flavorful and complex and amplifies the nutty characteristics found in the original Woodford Reserve.		
Appearance:	Warm Umber.		
Bouquet:	Soft nutty notes drizzled with light caramel and milk chocolate coat a light layer of tropical fruit character. Delicate hints of brown spice, mint, brown sugar and soft oak float beneath.		
Palate:	Dark chocolate and caramel covered nuts are dried out with a sprinkle of cocoa and brown spice. Faint ripe tropical fruit brighten a trace of toasted coconut and oak. Finish: Nutty and subtly sweet chocolate malt notes.
