

# GLENDRONACH

## Peated 700ml

Category:	SPIRIT		
Style:	WHISKY		
Variety:	MALTS		
Region:	HIGHLAND		
Volume:	700ml		
Vinification:	In contrast to the traditional, non-peated character of the GlenDronach, this particular whisky has, unusually, been distilled using peated malted barley. The GlenDronach 'Peated' pays homage to the peat historically used to dry the malted barley in the traditional floor matlings during the early days of the distillery.		
Appearance:	Vivid harvest gold.		
Bouquet:	A delightful aroma of ripe gooseberries dusted with cinnamon sugar combines with a contrasting crisp citrus twist. The delicate peat influence gives a smouldering charred wood character filled with freshly ground barley and hints of vanilla toffee.		
Palate:	Vibrant oak spices and floral heather honey develop to rosehips and barley sugars, all warmed by a touch of white pepper. Subtle peat notes complement the palate by giving a delicate depth and dryness of glowing campfire embers.
