

MEET THE FAM.

WHICH SCRUMPY FLATMATE ARE YOU?

Apple – The OG

The responsible one. Keeps the fridge stocked, knows all the life hacks, and somehow wakes up early after a big night. Classic, crisp, and always reliable.

Tastes like: Crisp, juicy apple bite with a smooth, well-balanced sweetness

Raspberry – The Social Butterfly

Always the first to say, “Let’s go out!” Brings the energy, keeps the group chat alive, loves good memes and their playlist is always a 10/10. Sweet but packs a punch.

Tastes like: Juicy and vibrant with a tart zing and a hint of red berry depth.

Lemon – The Hustler

Runs on iced coffee, has five side hustles, and still makes time for a gym sesh. A little zesty, a little bold, but always refreshing.

Tastes like: Bright and citrusy with a sharp tang and a clean, zesty finish.

Ginger – The Wild Card

Turns up in a vintage jacket from an op shop, swears by kombucha, and probably owns a skateboard. Spicy, unexpected, and a bit of a legend.

Tastes like: Bold and fiery with a warming spice and a crisp cider bite.
